Sommario/riassunto	Pete Seeger is one of the most recorded artists in American history, and his recording catalog tells us not just the story of his career but the story of our culture and its political and social history. This book is a comprehensive listing of the 45s, 78s, LPs, and CDs recorded by Seeger in his various incarnations: with the Almanac Singers, with the Weavers, as a solo artist, and with other musicians and contributors. It provides information, with easy to use cross-references, on rare recordings and archival collections.
