Sommario/riassunto	Highly Commended at the Society of Authors and Royal Society of Medicine Medical Book Awards 2006 This outstanding atlas of ophthalmic pathology brings together the world famous collection of digital images from the Tennant Eye Institute in Glasgow. Weng Sehu and William Lee have produced a unique body of information, moulding Ophthalmic Pathology and the accompanying interactive CD-Rom into the essential 'must-have' revision aid and reference book for ophthalmologists in training, teachers and clinical ophthalmologists worldwide. Ophthalmic Pathology is a concise,
