Sommario/riassunto

A Companion to Feminist Geography captures the breadth and diversity of this vibrant and substantive field. Shows how feminist geography has changed the landscape of geographical inquiry and knowledge since the 1970s. Explores the diverse literatures that comprise feminist geography today. Showcases cutting-edge research by feminist geographers. Charts emerging areas of scholarship, such as the body and the nation. Contributions from 50 leading international scholars in the field. Each chapter can be read for its own distincti
