Sommario/riassunto	This consultation paper considers options for reform of the current law in relation to the property and financial rights of cohabiting couples (either opposite-sex or same-sex couples) when a relationship ends. Although the paper does discuss the situation in relation to when one of the partners dies, it focuses on whether a new scheme is needed to provide financial remedies on separation when a relationship breaks down. Amongst the provisional proposals, the Committee identifies the need for the introduction of new statutory remedies to address the separation of cohabiting couples who have ch
