**Sommario/riassunto**

The Blackwell Companion to Social Inequalities is a first-rate collection of social science scholarship on inequalities, emphasizing race, ethnicity, class, gender, sexuality, age, and nationality. Highlights themes that represent the scope and range of theoretical orientations, contemporary emphases, and emerging topics in the field of social inequalities. Gives special attention to debates in the field, developing trends and directions, and interdisciplinary influences in the study of social inequalities. Includes an editorial introduction and suggestio
