Includes bibliography and index.

Nota di contenuto

Book Cover; Title; Contents; Preface to the new edition; Note on the translation; Introduction to the translation; Introduction; Weber's interpretation of the bourgeois-capitalist world in terms of 'rationalisation'; Marx's interpretation of the bourgeois-capitalist world in terms of human 'self-alienation'; Weber's critique of the materialist conception of history; Bibliography; Index

Sommario/riassunto

This is a key text in modern interpretations of alienation in Marxist theory and rationalization in Weber's sociology. It remains the best student introduction to the differences and comparisons between these two essential thinkers.
