

1. Record Nr.	UNISA996214381303316
Titolo	Applied adhesion science
Pubbl/distr/stampa	Heidelberg, Germany : , : Springer-Verlag, GmbH, , 2013-
ISSN	2196-4351
Descrizione fisica	1 online resource
Soggetti	Adhesives Adhesion Periodicals.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	Refereed/Peer-reviewed "A SpringerOpen journal."
Sommario/riassunto	Focuses on the practical applications of adhesives, with special emphasis in fields such as oil, aerospace and biomedical (dentistry). Topics on the problems related to the phenomena of adhesion and the application of adhesive materials are welcome, especially in biomedical areas such as dentistry adhesives.
