Sommario/riassunto

This volume brings together some of the most distinguished writers in the field of New Testament studies to provide an overview of discussions about the nature of New Testament theology. Examines the development, purpose and scope of New Testament theology. Looks at the relationship of New Testament theology with other branches of theology. Considers crucial issues within the New Testament, such as the historical Jesus, the theology of the cross, eschatology, ethics, and the role of women. Offers fresh perspectives which take discussion of the subject further in key areas Includes a foreword by Rowan Williams.
