

1. Record Nr.	UNISA996214794803316
Titolo	11th IEEE International Conference on Network Protocols (ICNP 2003)
Pubbl/distr/stampa	[Place of publication not identified], : IEEE Computer Society Press, 2003
Descrizione fisica	1 online resource (xii, 346 pages)
Disciplina	004.62
Soggetti	Computer network protocols
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Sommario/riassunto	ICNP 2003 is a highly selective conference dealing with all aspects of communication protocols including design, specification, analysis, verification, implementation, and performance. The topical coverage of the sessions reflects the activities in networking research. Overlay networks, peer-to-peer services, and sensor networks, which are relatively new research topics in networking, are noticeably represented in the proceedings.
