Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliography and index.
Sommario/riassunto	Theocritus (third century BCE) was the founder of bucolic poetry. The extant poems of Moschus (second century BCE) and Bion (probably second and first centuries BCE) are not really bucolic, but Bion's Lament for Adonis is floridly brilliant. Pattern poems are found in the Greek Anthology, a work of many centuries.
