Sommario/riassunto	If you are a manager or executive who is beginning a coaching engagement or who is considering a developmental plan that calls for an executive coach, you need more than a desire to improve your leadership capabilities. You also need to understand how to get the most from your work with a professional coach. This guide can help you to understand the unique nature of a coaching engagement and to assess your readiness to embark on this method of professional development. The book describes the three main elements of a coaching engagement-assessment, challenge, and support- and provides informati
