Note generali	Refereed/Peer-reviewed
Sommario/riassunto	The focus of the journal is interdisciplinary aiming to make a major contribution to the field of performance and technology. It is aimed at a wide-ranging readership that would include not only academics but also performers, practitioners, and artists from a whole range of disciplines. Therefore, for future issues we would welcome submissions from all areas of contemporary arts' practices that work with the body, space and new technologies.
