| Sommario/riassunto | At last, a more inspired approach to business. Business Genius describes how to grow your business more effectively through intelligent strategy and imaginative leadership, radical innovation and sustained change. Combining the entrepreneurial passion of a start-up with the commercial rigour of large enterprises... this is for everyone who seeks the inspiration to think and act differently. Business Genius helps you drive more profitable, sustainable growth in today's fast changing and connected markets. It explores the challenges of strategy and innovation, leadership and change as you grow |
