Sommario/riassunto	The miracle stories of the founders and saints of the major world religions have much in common. Written by international experts, this Companion provides an authoritative and comparative study of miracles in not only Hinduism, Islam, Buddhism, Christianity and Judaism, but also, indigenous religions. The authors promote a discussion of the problems of miracles in our largely secular culture,

and of the value of miracles in religious belief. The miracles of Jesus are also contextualized through chapters on the Hebrew Bible, classical culture to the Romans, Second Temple and early rabbinic Judaism and early Christianity. This book provides students with a scholarly introduction to miracles, which also covers philosophical, medical and historical issues.

Sommario/riassunto

In *Children and the Responsibility to Protect*, Bina D'Costa and Luke Glanville bring together more than a dozen academics and practitioners from around the world to examine the intersections of the Responsibility to Protect (R2P) principle and the theory and practice of child protection. Contributors consider themes including how the agency and vulnerability of children is represented and how their voices are heard in discussions of R2P and child protection, and the merits of drawing together the R2P and Children and Armed Conflict (CAAC) agendas, as well as case studies of children's lives in conflict zones, child soldiers, and children born of conflict-related sexual violence. This collection of essays was first published in the journal *Global Responsibility to Protect* (vol.10/1-2, 2018) as a special issue. Contributors are: J. Marshall Beier, Letícia Carvalho, Bina D'Costa, Myriam Denov, Luke Glanville, Michelle Godwin, Erin Goheen Glanville, Cecilia Jacob, Dustin Johnson, Atim Angela Lakor, Katrina Lee-Koo, Ryoko Nakano, Jochen Prantl, Jeremy Shusterman, Hannah Sparwasser Soroka, Timea Spitka, Jana Tabak, Shelly Whitman.
