Sommario/riassunto

A comprehensive overview of the most important international events, movements, and controversies of the 20th century. Written by distinguished scholars, each an authority in their field. Explores influential, underlying themes such as imperialism, nationalism, internationalism, technological developments, and changes in diplomatic methods. Addresses a broad range of topics, including diplomacy of wartime and peacemaking, the cold war era and the "new world order", the end of European empires, the rise of nationalism in the Third World, globalization, and terrori
