Sommario/riassunto	Television. Love it or hate it, it is still the most popular pastime ever. It reflects and shapes our knowledge of contemporary life across the economic, political, social and cultural spectrum, and yet TV is still among the most criticized phenomena of modern life. Everyone watches it, but everyone's also a critic. This engaging book, written by

one of television's best known experts, invites us to explore television's most controversial coverage and fascinating formats: TV citizenship, live TV, 'plebiscitary' shows, reality TV, synchronized sports and TV's own history. At a time of unprece
