Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	This title explores the background to the effort of the Neoplatonist philosopher Porphyry (c.A.D. 232-305) to devise a system of universal salvation as a means of countering the Christian soteriological challenge, and the Christian reactions to this, notably from Eusebius of Caesarea.
