

1. Record Nr.	UNISA996244549703316
Titolo	Gland surgery
Pubbl/distr/stampa	Hong Kong, : AME Publishing Company Hong Kong : , : AME Publishing Company, , 2012
ISSN	2227-8575
Descrizione fisica	1 online resource
Disciplina	617.44
Soggetti	Glands - Surgery Endocrine Glands - Surgery Translational Research, Biomedical Fulltext Internet Resources. Periodicals. Periodical
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Nota di contenuto	Research Highlight -- Microvascular breast reconstruction and lymph node transfer for postmastectomy lymphedema patients -- Benefit of tamoxifen in estrogen receptor positive DCIS of the breast -- Sentinel lymph node micrometastases and isolated tumor cells in breast cancer: an evolving field -- Metastatic sentinel node and axillary lymphadenectomy revisited -- Paradoxical roles for FOXA1 in anti-estrogen resistance and as a luminal differentiation factor in breast cancer -- Original Articles -- Correlations of ALDH1 expression with molecular subtypes and ABCG2 in breast cancer -- Prognostic value of different amounts of cancer stem cells in different molecular subtypes of breast cancer -- Expressions of D2-40, CK19, galectin-3, VEGF and EGFR in papillary thyroid carcinoma -- Abnormality of pI6/p38MAPK/p53/Wip1 pathway in papillary thyroid cancer -- Guideline -- Guidelines on the diagnosis and treatment of breast cancer (2011 edition) -- Images of the Issue -- Breast Imaging Reporting and DataSystem (BI-RADS) of magnetic resonance imaging: Breast mass.

Sommario/riassunto

"It is an open access, peer-reviewed journal publishes articles that describe new findings in the field of translational research in gland surgery, provides current and practical information on diagnosis, prevention and clinical investigations of gland surgery."
