Sommario/riassunto	The reform of social security pensions and healthcare is a key issue for the modern world, and in many ways Latin America has acted as a social laboratory for the reform of these systems. This is the first book to comprehensively study these influential reforms in Latin America's pension and health care systems. - ;The reform of social security pensions and healthcare is a key issue for the modern world, and in many ways Latin America has acted as a social laboratory for the reform of these systems. From the reforms that took place in Chile in 1981, most pension and health care systems in the
