Nota di contenuto	The workers mobilize -- The Klepikov affair -- The Liulin affair -- Battle at the point of production -- To the brink of rebellion -- The Teikovo strike -- The Vichuga uprising.
Sommario/riassunto	Challenging the claim that workers supported Stalin's revolution "from above" as well as the assumption that working-class opposition to a workers' state was impossible, Jeffrey Rossman shows how a crucial segment of the Soviet population opposed the authorities during the critical industrializing period of the First Five-Year Plan.
