Nota di contenuto	Lenin, Martov and the issue of power -- The worker's movement after Lena : the dynamics of labor unrest in the wake of the Lena goldfields massacre (April 1912-July 1914).
Sommario/riassunto	he eminent historian Leopold Haimson examines the nature of political power in Russia during the years leading to the Bolshevik revolution. The book explores the issue of power as it was reflected in struggles of Russian workers to control their own lives and in the outlooks and strategies of leading political figures on the objectives of the revolution and the ways to achieve them.
