Nota di contenuto	Counter-institution, counter-deconstruction -- Teaching deconstruction: giving, taking, leaving, belonging and the remains of the university -- "The fidelity of a guardian" : the "double-keeping" of Jacques Derrida -- Auditing Derrida -- The claim of the humanities: a discussion with Christopher Fynsk.
Sommario/riassunto	This is an account of Jacques Derrida's involvement in debates about the university. Derrida has long argued that philosophy simultaneously belongs and does not belong to the university. This book asks whether a broader tension between 'belonging' and 'not belonging' also forms the basis of Derrida's political thinking and activism.
