Sommario/riassunto	Living from 1215 to 1294, Khubilai Khan is one of history's most renowned figures. Morris Rossabi draws on sources from a variety of East Asian, Middle Eastern, and European languages as he focuses on the life and times of the great Mongol monarch. This 20th anniversary edition is updated with a new preface examining how twenty years of scholarly and popular portraits of Khubilai have shaped our understanding of the man and his time.
