**Sommario/riassunto**

We are now in the era of the G8, although the G7 still exists as a grouping for Finance Ministers. Why do G7 finance ministries and central banks co-operate? What are the implications of this co-operation for US power and the abilities of the other six states to exercise leadership? What role do the G7 play in global financial governance? How much authority do they possess and how is that authority exercised? This is the first major monograph on the political economy of G7 finance ministry and central bank co-operation. It argues that to understand the contribution of the G7 t

## Sommario/riassunto

Gatherings in Diaspora brings together the latest chapters in the long-running chronicle of religion and immigration in the American experience. Today, as in the past, people migrating to the United States bring their religions with them, and their religious identities often mean more to them away from home, in their diaspora, than they did before. This book explores and analyzes the diverse religious communities of post-1965 diasporas: Christians, Jews, Muslims, Hindus, Rastafarians, and practitioners of Vodou, from countries such as China, Guatemala, Haiti, India, Iran,
