|-------------------------|---|
| 1. Record Nr.           | UNISA996249642403316  |
| Titolo                  | Polymer chemistry   |
| Pubbl/distr/stampa      | Cambridge, UK, : Royal Society of Chemistry   |
| ISSN                    | 1759-9962   |
| Soggetti                | Polymers<br>Macromolecules<br>Polymerization<br>Periodicals.  |
| Lingua di pubblicazione | Inglese   |
| Formato                 | Materiale a stampa  |
| Livello bibliografico   | Periodico   |
| Note generali           | Refereed/Peer-reviewed  |
| Sommario/riassunto      | A peer-reviewed journal publishing advances in polymer chemistry encompassing all aspects of synthetic and biological macromolecules, and related emerging areas. |
