Sommario/riassunto

This new addition to the Defining Documents series profiles the first decade of the 20th century in America through careful, close analysis of historic documents from the era. Over forty primary source documents are studied, delivering a thorough examination of this crucial period in American history. Defining Documents in American History: The 1900s explores the years from 1900 to 1909, offering in-depth critical and analytical essays of various documents created in the years immediately preceding World War I. -- Amazon.com
