

1. Record Nr.	UNISA996279608503316
Titolo	ISO/IEC/IEEE 8802-A-2015/Amd.1-2018(E) : ISO/IEC/IEEE International Standard - Information technology--Telecommunications and information exchange between systems--Local and metropolitan area networks--Part A: Overview and architecture--AMENDMENT 1: Alloc // Institute of Electrical and Electronics Engineers
Pubbl/distr/stampa	New York : , : IEEE, , 2018
ISBN	1-5044-4915-0
Descrizione fisica	1 online resource (20 pages)
Disciplina	004.68
Soggetti	Local area networks (Computer networks) Metropolitan area networks (Computer networks)
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	How Uniform Resource Name (URN) values are allocated in IEEE 802(R) standards is described in this amendment to IEEE Std 802(R)-2014.

2. Record Nr.	UNINA9910787233503321
Autore	Peck James E. <1940->
Titolo	Pseudohypacusis : false and exaggerated hearing loss // James E. Peck
Pubbl/distr/stampa	San Diego, California ; ; Oxfordshire, England : , : Plural Publishing, Inc., , 2011 ©2011
ISBN	1-59756-735-3
Descrizione fisica	1 online resource (257 p.)
Disciplina	617.8/075
Soggetti	Hearing disorders - Diagnosis Audiometry
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Contents; Foreword; Preface; Acknowledgments; Contributors; Chapter 1. Terminology; Chapter 2. Historical Perspective; Chapter 3. Adults; Chapter 4. Children; Chapter 5. Signs and Risk Factors; Chapter 6. Conventional Behavioral Audiometry; Chapter 7. Special Behavioral Tests; Chapter 8. Objective Measures of Auditory Function; Chapter 9. Legal-Forensic Aspects; Chapter 10. Psychosocial Considerations; Chapter 11. Management: Interviewing, Counseling, Referring; References; Index
