

1. Record Nr.	UNISA996279806903316
Titolo	Microwave Symposium (MMS), 2014 14th Mediterranean / / Institute of Electrical and Electronics Engineers
Pubbl/distr/stampa	[Place of publication not identified] : , : IEEE, , 2014
ISBN	1-4799-7391-2
Descrizione fisica	1 online resource
Disciplina	621.3813
Soggetti	Microwave circuits
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	MMS2014 will provide an international forum for reporting progress and recent developments in RF and microwave and in many other related topics theory and applications MMS2014 will consist of technical and invited sessions and keynote and tutorial sessions covering the state of the art of several hot topics in RF and microwave engineering and technologies As was done in the former editions, MMS2014 will also organize the Best Paper competition for students attending and presenting their papers.
