

1. Record Nr.	UNISA996280183903316
Titolo	2016 Visual Communications and Image Processing (VCIP) // Institute of Electrical and Electronics Engineers (IEEE)
Pubbl/distr/stampa	Piscataway, New Jersey : , : Institute of Electrical and Electronics Engineers (IEEE), , 2016
ISBN	1-5090-5316-6
Descrizione fisica	1 online resource : illustrations
Disciplina	006.54
Soggetti	Coding theory Image processing Visual communication - Digital techniques
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	The International Conference on Visual Communications and Image Processing (VCIP), sponsored by the IEEE Circuits and Systems Society and supported by the Institute of Image Processing, School of Electronic Engineering, University of Electronic Science and Technology of China, will be held in Chengdu during 27 30 Nov 2016 VCIP has served as a premier forum in SPIE and IEEE for the exchange of fundamental research results and technological advances in the field of visual communications and image processing since 1986 It provides a venue for leading engineers and scientists from around the world to advance the research frontiers in various areas of interest to VCIP.
