

1. Record Nr.	UNISA996280190203316
Titolo	2016 Winter Simulation Conference (WSC) // Institute of Electrical and Electronics Engineers (IEEE)
Pubbl/distr/stampa	Piscataway, New Jersey : , : Institute of Electrical and Electronics Engineers (IEEE), , 2016
ISBN	1-5090-4486-8
Descrizione fisica	1 online resource : illustrations
Disciplina	001
Soggetti	Digital computer simulation Simulation methods Big data
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	WSC is the premier international forum for disseminating recent advances in the field of system simulation In addition to a technical program of unsurpassed scope and quality, WSC provides the central meeting for practitioners, researchers, and vendors.
