

1. Record Nr.	UNISA996280475403316
Titolo	2017 IEEE 18th International Symposium on High Assurance Systems Engineering (HASE) // Institute of Electrical and Electronics Engineers (IEEE)
Pubbl/distr/stampa	Piscataway, New Jersey : , : Institute of Electrical and Electronics Engineers (IEEE), , 2017
ISBN	1-5090-4636-4
Descrizione fisica	1 online resource : illustrations
Disciplina	621.3984
Soggetti	Computer input-output equipment Reliability (Engineering) Software engineering
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	A key question of HASE 2017 is What design innovation is needed to bring about systems whose operation in accordance with functional and non functional requirements is assured with a very high probability? HASE 2017 will focus on this and related questions answers to which are of paramount importance to engineers who design and build interdependent complex systems that impact individuals, entire cities and even nations.
