

1. Record Nr.	UNISA996280826703316
Titolo	AIEE No 750-1947 (IEEE 127) : AIEE Report on Aircraft Electric System Guide // Institute of Electrical and Electronics Engineers
Pubbl/distr/stampa	[Place of publication not identified] : , : IEEE, , 1974
ISBN	1-5044-0433-5
Descrizione fisica	1 online resource
Disciplina	158.7
Soggetti	Performance - Evaluation
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	Preparation of material incorporated in this report has been undertaken by the AIEE in the belief that it will materially aid in the realization of a better aircraft electric system. This conviction is confirmed by opinions expressed in joint meetings, including representation from SAE, NASC, NEMA, Army Air Forces, and the Bureau of Aeronautics.
