

1. Record Nr.	UNISA996280834903316
Titolo	AIEE No 46-1927 : AIEE Hard Drawn Aluminum Conductors Physical and Electrical Properties // Institute of Electrical and Electronics Engineers
Pubbl/distr/stampa	New York, N.Y. : , : IEEE, , 1927
ISBN	1-5044-0355-X
Descrizione fisica	1 online resource (6 pages) : illustrations
Disciplina	536.50287
Soggetti	Temperature measurements
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	The standards of this section cover the electrical and related properties of standard hard drawn aluminum conductors. The following shall be taken as normal values for standard hard drawn aluminum conductors.
