

1. Record Nr.	UNISA996280962703316
Autore	Piprek Joachim
Titolo	2016 International Conference on Numerical Simulation of Optoelectronic Devices (NUSOD) // Joachim Piprek
Pubbl/distr/stampa	Piscataway, NJ : , : IEEE, , 2016
ISBN	1-4673-8603-0
Descrizione fisica	1 online resource (xvii, 228 pages) : illustrations
Disciplina	620.5
Soggetti	Nanostructures
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	The NUSOD conference connects theory and practice in optoelectronics. Papers are solicited on the modeling, simulation, and analysis of optoelectronic devices including materials, fabrication, and application.
