

1. Record Nr.	UNISA996280990203316
Titolo	ISO/IEC/IEEE 29119-4:2015 . Part 4 Test techniques : ISO/IEC/IEEE International Standard for Software and systems engineering--Software testing / / Institute of Electrical and Electronics Engineers
Pubbl/distr/stampa	Geneva, Switzerland : , : IEEE, , 2015
ISBN	0-7381-9840-4
Descrizione fisica	1 online resource (viii, 127 pages) : illustrations
Disciplina	604.2028
Soggetti	Computer programs
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	"The purpose of this part of ISO/IEC/IEEE 29119 is to provide an International Standard that defines software test design techniques (also known as test case design techniques or test methods) that can be used within the test design and implementation process ...".
