Sommario/riassunto	The book "Challenges and Opportunities in Italian Corporate Governance" collects an ensemble of research that permits a quick look at key issues of corporate governance. It offers an overview of the Italian corporate governance landscape, highlighting the more recent and interesting challenges and opportunities for Italian companies. The book examines the corporate governance issues from different perspectives (law, business management, accounting and practitioners), assessing the progress made by Italian companies in improving corporate governance and the gaps that remain. Moreover, it presents governance issues in the widely varying perspectives of owners, boards, management, and other stakeholders to create a complete picture of the Italian corporate governance environment.
