Sommario/riassunto	With the financial assistance from the United Kingdom Department for International Development, IOM commissioned three studies to assess and identify good practices in the protection of vulnerable migrant workers and provision of support services. They are reproduced in this, thesecond volume of Labour Migration in Asia. The first volume (2003) examined labour migrationtrends, challenges and policy responses in Asian countries of origin. Both volumes are a compilationof papers prepared for the Ministerial Consultations of Labour Migration in Asia, heldin 2003 and 2004 in Colombo and Manila, respectively, and organized by IOM.
