Sommario/riassunto	Explorations is a double-blind peer-refereed open-access online journal published by the Department of the English Language and the Department of English Language Literatures at the Institute of English, Opole University, Poland. It provides a forum that invites a wide range of original articles dealing with all aspects of the English language, English language literatures, and their teaching in tertiary academic contexts. It is thus dedicated to promoting exchange of ideas among English department teachers, scholars and researchers worldwide.
