Sommario/riassunto	CIDADES, Comunidades e Territórios is a peer-reviewed multidisciplinary journal in Urban Studies established in 2000 and published by DINÂMIA'CET-IUL. The orientation of CIDADES is based on the plurality of theoretical perspectives and disciplinary approaches to the analysis of the city, as enshrined in the array of multidisciplinary scientific area of Urban Studies. CIDADES seeks further knowledge about urban problems and policies in order to intervene and, in general, concerning the processes of transformation of cities, communities and territories
