

1. Record Nr.	UNISA996321281803316
Titolo	Neuronal signaling
Pubbl/distr/stampa	London : , : Portland Press Limited on behalf of the Biochemical Society, , [2017]-
ISSN	2059-6553
Descrizione fisica	1 online resource
Disciplina	599.0188
Soggetti	Neuroglia Receptors, Neurotransmitter Neurons Neurotransmitter receptors Periodical Periodicals.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	Refereed/Peer-reviewed
Nota di contenuto	Trafficking of neuronal calcium channels -- Retrograde apoptotic signaling by the p75 neurotrophin receptor -- Glycinergic transmission: glycine transporter GlyT2 in neuronal pathologies -- Neuronal Signaling: an introduction.
