

1. Record Nr.	UNISA996321830603316
Titolo	Case reports in nephrology and dialysis
Pubbl/distr/stampa	Basel : , : Karger AG, , [2015]-
ISSN	2296-9705
Descrizione fisica	1 online resource
Disciplina	616.61
Soggetti	Kidneys - Diseases Hemodialysis Nephrology Kidney Diseases Renal Dialysis Periodicals. Case Reports. Fulltext Internet Resources. Periodical
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	Refereed/Peer-reviewed
Nota di contenuto	Published online: July, 2014 -- Nephrotic Syndrome Complicated with Deep Venous Thrombosis in the Upper Extremities -- Published online: August, 2014 -- A Case of IgG2 Heavy Chain Deposition Disease in a Patient with Kappa Positive Plasma Cell Dyscrasia -- Minimally Invasive Endourological Techniques may Provide a Novel Method for Relieving Urinary Obstruction due to Ureterosciatic Herniation -- Published online: September, 2014 -- Posterior Reversible Encephalopathy Syndrome After Renal Transplant: A Simple Solution for a Complicated Patient -- Published online: October, 2014 -- A Case Report on Allergic Rash Caused by Icodextrin -- Bucillamine-Induced Membranous Nephropathy with Crescent Formation in a Patient with Rheumatoid Arthritis: Case Report and Literature Review -- Published online: November, 2014 -- A Case of Laparoscopic Ureteric Reimplantation in a Solitary Urinary System -- Published online: December, 2014 --

Acute Interstitial Nephritis and Membranous Nephropathy in the Context of IgG4-Related Disease -- A Rare Case of Low-Solute Hyponatremia in a Nonalcoholic Person -- Published online: January, 2015 -- Embolization of Spontaneous Intratumoral Hemorrhage with the Hemodynamic Characteristics of Arteriovenous Fistula in Renal Angiomyolipoma -- Published online: February, 2015 -- Improvement of Resistant Hypertension by Nocturnal Hemodialysis in a Patient with End-Stage Kidney Disease -- Published online: March, 2015 -- Surgical Intervention after Catheter Removal in a Case of Refractory Peritoneal Dialysis-Related Peritonitis -- Formation of Abnormal Fistula on Arteriovenous Fistula in a Patient with Buttonhole Cannulation: A Case Report -- Sodium Thiosulfate: An Emerging Treatment for Calciphylaxis in Dialysis Patients -- Treatment of Ureterosciatic Hernia with a Ureteral Stent -- A Possible Clue for the Production of Anti-Glomerular Basement Membrane Antibody Associated with Ureteral Obstruction and Hydronephrosis -- Published online: April, 2015 -- Use of Leflunomide in Renal Transplant Recipients with Ganciclovir-Resistant/Refractory Cytomegalovirus Infection: A Case Series from the University of Chicago -- Radical Improvement of Signs and Symptoms in Systemic Lupus Erythematosus when Treated with Hemodiafiltration with Endogenous Reinfusion Dialysis.
