

1. Record Nr.	UNISA996326242903316
Titolo	Earth and planetary physics
Pubbl/distr/stampa	[Beijing] : , : Science Press, , 2017-
Descrizione fisica	1 online resource
Disciplina	550.5
Soggetti	Geophysics Earth sciences Planets - Geology Atmospheric physics Space environment Géophysique Sciences de la terre Planètes - Géologie Periodicals.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Periodico
Note generali	Refereed/Peer-reviewed
Sommario/riassunto	"EPP covers many areas in Earth and Planetary Sciences, including solid-earth geophysics, atmospheric physics, space physics, and planetary sciences. EPP welcomes many forms of submission, including original Research Articles, Reviews, Technical Reports, Comments, Replies, Editorials, Perspectives, and Letters." -- Publisher's website
