

1. Record Nr.	UNISA996328039203316
Autore	Gleeson Shannon <1980->
Titolo	Precarious Claims : The Promise and Failure of Workplace Protections in the United States // Shannon Gleeson
Pubbl/distr/stampa	Oakland, California : , : University of California Press, , [2016] ©[2016]
ISBN	0-520-96360-1
Descrizione fisica	1 online resource (ix, 177 pages) : illustrations
Collana	Open Access e-Books Knowledge Unlatched
Classificazione	347.462
Disciplina	344.7301
Soggetti	Work environment - United States Industrial safety - United States Labor laws and legislation - United States Work environment - California, Northern Working class - California, Northern Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references (pages 139-168) and index.
Nota di contenuto	Inequality and power at work -- The landscape and logics of worker protections -- Navigating bureaucracies -- The aftermath of legal mobilization.
Sommario/riassunto	"Precarious Claims tells the human story behind the bureaucratic process of fighting for justice in the U.S. workplace. The global economy has fueled vast concentrations of wealth that have driven a demand for cheap and flexible labor. Workplace violations such as wage theft, unsafe work environments, and discrimination are widespread in low-wage industries such as retail, restaurants, hospitality, and domestic work, where jobs are often held by immigrants and other vulnerable workers. How and why do these workers, despite enormous barriers, come forward to seek justice, and what happens once they do? Based on extensive fieldwork in Northern California, Gleeson investigates the array of gatekeepers with whom workers must negotiate in the labor standards enforcement bureaucracy and, ultimately, the limited reach of formal legal

protections. The author also tracks how workplace injustices--and the arduous process of contesting them--carry long-term effects on their everyday lives. Workers sometimes win, but their chances are precarious at best"--Provided by publisher.
