Sommario/riassunto	Major disorders of paediatric gastroenterology are covered in this attractive and comprehensive four-colour atlas. Concisely written and with numerous illustrations, it provides an easy and accessible format to quickly read and review material. There is a wealth of valuable information on how to make accurate diagnoses and effectively manage children with gastrointestinal disorders, presented in a logical clear way, taking the reader through clinical presentation, differential diagnosis, prognosis and treatment options. Written by experts in the

field and full of clear illustrations, this is ess
