Sommario/riassunto

The A-Z of Careers and Jobs is a comprehensive guide to over 300 different jobs including the personal qualities and skills needed for each career, the necessary training and qualifications and contact details for relevant organizations. Editor Susan Hodgson, formerly Head of Careers Service at London South Bank University, provides a host of background detail including sector information, useful websites for further research, details on starting salaries and valuable contact data. She ensures that the book provides in one source all the information you need to make an informed career choice. P
