Sommario/riassunto	The friendly guide for retirees who want to get back into the workforce More than 76 million baby boomers will begin retiring in 2011. Eighty percent of boomers expect to continue working past the age of 65 due to financial and healthcare concerns (seniorcitizensguide.com, 1-06). Working After Retirement For Dummies shows retirees and workers approaching retirement age how to stay in the workforce and thrive after 65 or get back into the workforce after retirement. The book covers new job searching and resume writing; how to overcome employer myths about retirement age workers; and th
