Livello bibliografico	Periodico
Note generali	Refereed/Peer-reviewed
Sommario/riassunto	A forum where Europeanists can present their achievements and which enables the dissemination of their research. It is also a place where ideas with regards to the processes taking place in Europe in a broad sense, European integration issues, international relations of European countries as well as the role of our continent in global processes can be exchanged. The foregoing issues may be presented from various

perspectives: those of the political, economic, legal as well as social and cultural.
