"Sow hunger, reap anger": From neoliberal privatization to new collective identities In Bosnia-Herzegovina / Chiara Milan -- 8. A spirit of Maidan?: Contentious escalation in Ukraine / Daniel P. Ritter -- 9. Riding the wave: Some conclusions / Donatella della Porta.
Sommario/riassunto	Recent years have seen a new development in the growth and spread of

popular protest: protests that began as local, homogeneous events - such as Occupy Wall Street or the protests of the Arab Spring - quickly left their original locations, and local specificity, behind and became global. This book looks at the development of this wave of protests, with a specific eye on protests against austerity and neoliberal economic policies, and offers a global view, covering events in Turkey, Brazil, Venezuela, South Africa, Bosnia, Bulgaria, Ukraine, and other locations.
