Two or Three Ways of Speaking with the Hands: Asking Oneself: La Chinoise / Vent d'est -- Offering Oneself: Nouvelle vague -- Wxpressing Oneself:

Sommario/riassunto

This book brings together two major filmmakers--German avant-gardist Harun Farocki and French New Wave master Jean-Luc Godard--to explore the fundamental tension between theoretical abstraction and the capacities of film itself, a medium where everything seen onscreen is necessarily concrete. Volker Pantenburg shows how these two filmmakers explored the potential of combined shots and montage to create "film as theory."
