Sommario/riassunto

A complete guide to leveraging the power of Sarbanes-Oxley--specifically for nonprofits. The first book to discuss the implications of Sarbanes-Oxley legislation as it relates to nonprofit organizations, Sarbanes-Oxley for Nonprofits is an essential guide for all nonprofit executives and boards who want to know how the new legislation can enhance their organization's mission. By establishing a ""platinum standard"" of operations and governance within nonprofit organizations, executives and board members will be better equipped to attract high-quality staff and board members, as we

Sommario/riassunto	This collection brings together an exciting group of established and emerging scholars to consider the history of feminist film theory and new developments in the field and in film culture itself. Opening the field up to urgent questions and covering such topics as new experimental film, the digital image, consumerism, activism, and pornography, 'Feminisms' will be essential reading for scholars of both film and feminism.
